The Allies led by General Eisenhower have landed at the Normandy beaches in France on 6 June 1944 in order to advance on the German border and liberate France. The year is 1944, and two players share the world map in the strategy game Power War: The First Men to control the beaches and the forces - Allied and German - that defend them. Each game is a run-through of the 110-card deck. The first to control six beaches or win the game wins. Key Features Adaptation of the card game for the PC. Two player hot seat multiplayer. Cross-platform online play - PC - PlayStation 4 - Xbox One. A faithful conversion of the original card game. About Bungle Kingdom Developed by CDV Software and Cursor Developments. Bungle Kingdom is a 2D hand-drawn platform game with a fun, frenetic gameplay and cute, light-hearted characters. The world is full of bungle! Play as one of five animal characters - a lazy sloth, a sleepy rabbit, an in-your-face butterfly, a dumb duck and a ball of fluff - and take on the role of the kingdom's curator. With your trusty tools and knowledge of each world, navigate through the many levels and find the secret portals to get to the next level! A hilarious and challenging experience is at your fingertips! Everything Under the Sun! What could be more joyful than a basket of ripe fruit? And what could be more epic than a huge ensemble of celestial bodies complete with heavenly suns and solar systems? This game promises to simulate a basket of ripened fruit and the lifecycle of the cosmos just like no other! Join the progression of the solar systems' evolution from starbirth to planetary formation and then to different stages of the lifetime of the stars. Here all the planets that were born during the creation of the solar systems and ever since have led the wondrous planets to their various states - showing off their beauty, diversity and cosmic influence. The cosmos is in a constant state of transformation, and we - who are mere mortal species - will never know their final state and face. But here we are, helping them make way for the successive phases of the universe in a joyful, eternal and cosmic saga. Key Features 33 planets! 4 types of bodies. 8 special bodies. 8 different suns. 11 different solar systems. 10 different star types. 2 types of universes. 3 types of galaxy

Block Granny Horror Survival Features Key:

Roll on the Faiths and Avatars table to determine your NPC's attributes as well as skills, powers, weapons and magic items. Choose between good and evil, with bonuses or penalties to various abilities and proficiencies. Stats have a mechanical cost/benefit associated with them. A good character will grant bonuses while a bad character will give penalties. Roll for the stat bonus/penalty after a skill or weapon is rolled.

Customize your playbook

While the default stats are pretty good, there are a few things you can change. The statistics in the character sheet are not final; you may change stats or even add new ones. The weapons, armor, and magic items are made more distinguishable by coloring each piece of equipment, such as throwing swords, heavy armor and short sword.

You may add new stats, powers or feats at any time; if there is a balance concern, be sure to get GM or dungeon master approval if you will have it at least during a session.

You may use some of the example entries as inspiration to compose your playbook, including using the entries as is or altering the existing entries such as.
