Ninja Theory is bringing Hellblade: Senua's Sacrifice to PlayStation 4 on April 11, and the game is looking stunning on the next-generation system. Created by ex-Ubisoft designer Joe Madureira and developed by Ninja Theory and Danish developer Croteam, Hellblade: Senua's Sacrifice features an atmospheric ninja-style game that draws heavily on Celtic mythology for inspiration. According to Ninja Theory producer Tom Hinkley, Hellblade has been in development for the last seven years, and the game is meant to appeal to every kind of player. "We have tried to create something where there's not one voice that's saying, 'This is your game, this is your kind of experience,'" Hinkley said in an interview with GameSpot. "There's not one voice that's saying, 'The kind of experience that we want to give you are these whimsical experiences where you're going through these fantastic visuals and there are dragons flying all over the place and you have fantastic dialogue and it's going to be filled with laughs and smiles. 'There's no one voice that's saying that's your game,'" he continued. "We just try to find this nice balance where we get a lot of power and nuance out of every minute of gameplay and also we get a lot of humour out
